(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

I have filed an appeal (check, forms, etc.) within the time frame.

At patent assistance (PTO) (by phone) they told that I do not need an appeal brief because they have all the application.

Filing an appeal brief with the appeal was very easy for me but the patent assistance at PTO (by phone) told me that I do not need an appeal brief.

After one year or more, I was advised to send an appeal brief, I have send the appeal brief but the delay

time was over. It is not my mistake. It is yours. an appeal brief was very easy for me to send.

The main appeal filing was within the time frame it is going to cost me 250 \$ more.

(Please attach additional sheets if additional space is needed.)
